

My holidays

Holidays is the best part of my year. This holidays I was working as a lifeguard at Plaza Beach. I met a lot of new people. The time in work was good we had a lot of fun there. The worst thing that happened to me was sticking a band-aid to children. When I was not in my job I traveled a lot. I was in Budapest, because there was World Championship in swimming. I saw my favorite swimmers as Katinka Hoszu or Adam Peaty. I brought a mascot of World Championship and a lot of experiences from Budapest. For the first time I was at the festival named Grape. I was there with my cousin Janka. We slept in a tent. It was funny, because from Friday night there was a storm fifteen times! From each side there were thunders and lightings. But next morning when we left our tent the sun was shining. I saw a lot of interprets like Tom Odell, Two door cinema club, Metronomy, Moderat... First time I ate falafel there. It was a vegetarian food and it was tasty. I have been on Elan's concert too. I thought that it could be boring but it was not! I know almost all their songs so I sang all their songs with them. I enjoyed summer holidays so much!
