# HOW TO SLICE AVOCADO

TO REMOVE PIT  
WACK KNIFE WITH HEEL  
OF HAND & TWIST

CUT THE AVOCADO  
IN HALF AROUND THE  
PIT. TWIST HALVES APART.

SLICE VERTICALLY THROUGH  
THE FLESH, BUT NOT  
THROUGH THE SKIN.

USE A SPOON TO  
SCOOP THE SLICES  
OUT OF THE SKIN.

*Ďakujem za pozornosť  
a prajem príjemnú stredu! 😊*
